## Stereotypes

As you listen to the song, write down some lines that really stood out to you.

What message do you get from this song?

## Break-Em!

**Luke 10:25-30**

How do you think the people reacted to Jesus saying that only a despised Samaritan stopped to help the man, even after a Priest and Levite passed by?

Why do you think Jesus specifically used Samaritans in His parable?

Do you think the man who was robbed and beaten up cared that he was receiving help from a Samaritan?

**John 7:24**

Have you ever been stereotyped based on your appearance? If so, what was said about you?

What does "judge correctly" mean in this verse?

If just one stereotype was broken tomorrow, how do you think that would affect your school?

## Judge Correctly

What Stereotypes have you contributed to that you want to diminish?

Write out a prayer asking The Lord to give you strength to move beyond stereotypes and instead, judge correctly.
