Attributes

List as many attributes of God that you can think of.

Mark 11:20-23

What does Jesus say is possible through our faith?

1 Peter 1:3-6

What does this passage suggest of God's character?

What does God offer through our faith?

Do you have faith like that?

What do you think it means to be shielded by God's power?

Ever felt like your faith in God protected you from something?

How can you get a faith like that?

What was it?
