PATRIOTISM

Here's to the Ones

When you hear the word "Patriotism", what comes to mind?

Patriotism

Psalm 33:12
What is a nation?

1 Corinthians 16:13

Can it be hard to show patriotism for something others may not agree with?

Do you think showing patriotism for your nation is okay?

How can we stand firm in our faith? (Think about the opening game for a clue.)

As you listen to the song, write down some lines that really stood out to you.

What do you think the "inheritance" is?

Philippians 3:20; 1 Peter 2:9-10
To be a citizen means to belong to a certain place. How does knowing that you're a citizen of Heaven make you feel?

Peter talks about a holy nation of people of God. Where in the world can we find people who belong to this holy nation?

Take A Chance

What are some ways you can show your patriotism for your faith? We already know praising God and telling others about Christ are great ways to do that, so what else can you do? List them below.
