DISCIPLESHIP; COST OF

Warm Up

Why is to knowing how much things cost
a good idea?

Matthew 4:18-22

What was happening in this passage?

2 Corinthians 5:20

What does an ambassador do?

Three words changed four lives forever –
what were they?

What happens if you don't have enough money?

What do you think these men were giving up?

Is being an *ambassador* the same as being
a *disciple*?

Would you have dropped everything to follow a guy
you didn't know?

How do you decide what to buy?

What about now – are there things you give up to
follow Jesus today?

How are they related?

What did it cost to be a disciple of Jesus then?

What do you think it costs now?
