PARTY PEOPLE

Theme:

CELEBRATION

The Song

What does this song make you think of?

What images come to mind?

How can this song be used to lead people to Christ?

Party!

What does a Christian party look like? Is fun or lame? Why?

If you were to throw a party, what would it look like?

What are some reasons that Christians should throw parties?

Is it okay for Christians to “lose their mind?”

What are some things that you can celebrate right now that God has done in your life or someone close to you?

Luke 15:1-7

Who was Jesus hanging out with? Why do you think He was with them?

Would you be worried about one lost sheep if you still had 99? Why? Why is that one sheep so special?

What do you think a party in Heaven looks like?

Why do we not rejoice, like they do in heaven, when one lost is found?

Application

What stops me from celebrating the things that God does in my life?

How can I change that?

What can I do so that people know of the good things God has done and is doing in my life?

How can I throw a Christian party that is awesome but yet also glorifies God?
