The Song

As you listen, write down what you think the song is saying.

2 Corinthians 5:17-21

Have you ever had a secret that you felt you just had to tell?

What happened? Did you tell? Who? Why?

Why do we try to keep God's message a secret?

Why aren't we just burning to tell the story of Christ the way we are with secrets?

What stops us from telling?

Application

What is one daily thing that requires you to "run after God"? (This could be helping someone, reading your Bible, praying, etc.)

What is one thing that helps you help someone else draw close to God?

Get in groups of 3-4 and share your ideas.

Pray with each other and hold each other accountable to doing the things that were mentioned.
