GOD'S POWER

Behind the Words

Write down lyrics that demonstrate how we know there is no such thing as "impossible" when God is involved.

All Things are Possible

Give God the Glory (1 Kings 18:20-35)

How would you have reacted if you had witnessed the fire engulfing the offering?

Believe in His Promise (Luke 1:26-38)

Do you believe that God keeps His promises to you?

Do we need miracles before we believe that God is capable of doing these things?

How has God fulfilled those promises?

When God works miracles in your life, or gets you out of an impossible jam, are you careful to give Him the credit, the honor, and the glory?

How can you tell others about His power and the promises He fulfills by making the impossible, possible?

Be Obedient (Philippians 4:10-13)

Are you content with where God has you in life?

Are you content seeking God's plan for you and not your own plan?

What do you need to do to want what God wants?

Wrap Up

God loves you, cares for you, and has the best plan for you – a plan that far exceeds any plan you could imagine, devise, or dream up for yourself. God makes all things possible; all you need to do is learn to want what He wants.
