LUNCH TABLES

EVANGELISM

The Video

What three words come to mind when you watched this video?

Luke 19:1-9

What consequence might you face if you hang with people your group says is off limits?

Matthew 9:9-13

Write the names of people who sit at your lunch table.

Luke 22:14-23

Draw a round lunch table.

Now, circle those who need Jesus.

What consequences would you face if you sat with all the wrong people?

If you didn't circle any name, should you start sitting at another table? Why or why not?

Draw some empty chairs and write your name by one of them.

Write the names of some people you know that you want to invite to meet Jesus.

If you circled any names, how can you bring Jesus to your lunch table?
