Objective

Understand that God has pursued and called you by name to do what He wants. With your obedience to follow Him, He will provide for your needs. All you have to do is trust Him.

Joshua 1:1-9

Write out the story of Joshua in a modern-day scenario, using yourself in the place of Joshua.

Application

What stops you from answering God's call?

What might be God's call on your life?

Knowing that God is looking to you specifically to carry out His story here on earth, what are your feelings about that?

What can you do to trust God more and understand that He is going to provide for you and take care of you in your obedience to Him?
