FAITH

Lingering Lyrics

What lyrics stood out to you most and why?

Even If

Daniel 2:47-49; 3:1-15

Why does Nebuchadnezzar make a golden image?

Daniel 3:16-30

Why do you think Shadrach, Meshach, and Abednego could stay so calm in the face of possible death?

Why do you think the phrase, “even if He does not”, is so important?

In **Daniel 2:47-49**, Nebuchadnezzar tells Daniel that the God Daniel serves is the most powerful. Why do you think he didn’t worship God alone after that experience with Daniel?

What surprises Nebuchadnezzar as he looks into the furnace from afar?

The song describes feeling like things are falling apart. Write out a time when you’ve felt like your faith was barely hanging on.

What finally convinces Nebuchadnezzar that Shadrach, Meshach, and Abednego should be able to praise God?

Do you think Nebuchadnezzar wants Shadrach, Meshach, and Abednego to really be punished if they don’t worship the idol?

Un-Scorched

Write out, draw, or list circumstances that have tested your faith and convictions lately. As you write them, pray for the strength to say “even if” during those times.
