Theme

Evangelism; Witnessing

Objective

Your group will be reminded of the importance of sharing the Gospel and given a simple way to express that.

Warm Up

Form two groups. Ask the groups to make a list of happy memorable events. Next, have the groups come up with a list of memorable events that are not happy. If you have enough time, see who has the larger list.

Transition

Explain that some things stay in our memory and they are not something we can really forget. As we listen to this next song, think about some of those memories.

The Video

Show the lyric video of "Trying Times" by Demon Hunter.

Transition

Ask, "As you watched the video, what were some things that came to mind?"

Acts 4:13-17

Acts 4:18-22

- What were some other things the Council did?
- How did the people respond?
- Why did they do that?
- What might this look like for you in your own life?

Wrap Up

In this study, we discussed how Peter and John could not help but share what God had done. Think about some of the things God has done for you and where He has changed your life. Think about some people who need to hear about what God has done in your life. Make a plan to share with these people.
