CONTENTMENT,
GOD'S BLESSINGS

List 'Em

What is a “blessing”?

Blessings

Philippians 4:11-12; 1 Timothy 6:6-10

In Philippians 4, Paul describes being content even when things may not seem great. Why is it hard for us to be content in hard times?

Content

Take a moment and think of all the blessings in your life. List them below.

According to **1 Timothy 6:6-10**, what argument is made to be content?

List some things you would consider as blessings.

Hebrews 13:5; Luke 12:15; Luke 3:11

Do you think people “love” money in our society? Why or why not?

Now think of all the “stuff” you own. Could you be a blessing to someone else by giving some of that stuff away? If so, list some things you could give away and look into donating the stuff to a local charity or Goodwill.

Why do you think there is so much emphasis on being careful not to fall into greed?

According to **Luke 3:11**, should blessings be shared?
