REVIVAL

### Revive Me!

Write down lyrics that apply to you.

### It Starts Now!

**2 Chronicles 7:14**

Is revival needed in our country today? Why do you think that?

**Matthew 28:18-20**

What is our job as Christians, according to the Great Commission?

**Acts 1:7-8**

Revival cannot be found in men—where is revival found?

Where should revival begin? Who should it begin with?

What prevents us from sharing the Gospel and making disciples?

Since revival is found in Christ and God's Word, whose job is it to bring that news?

How can you bring about revival in your life?

How does knowing that God promises He will be with you change the way you approach the Great Commission?

How will that help spark revival in others?

Are you a witness?  
Are you ready for revival?

Why is this important for bringing about revival?
