### Pick Your Object

Pick the object that best represents the Giant you're facing in your life right now.

If you had the courage what would you do about the Giant in your life?

If you were to act in total faith, what would you do?

If you were to act in total fear what would happen?

### 1 Samuel 17

David's War Cry came from his ability to face these fear producing elements. Circle the ones you connect with the most:

*Intimidation* (v. 4-7)

*Isolation* (v. 10)

*Resistance* (v. 16)

*Inadequacy* (v. 43)

*Shame* (v. 28)

*Risk* (v. 9, 44)

What are you most afraid of at this time?

What would happen if you gave in to fear?

### Wrap Up

Look at the three cards on the floor:

**Faith – Fear – Courage**

What would happen if you gave in to fear?

What would happen in this situation if you responded in faith?

How would we confront the Giant if we had the courage?

We find our WAR CRY when we process our fear and access the faith to act courageously.
