Acts 1:8

What is Jesus asking His disciples to become?

Acts 4:18-20

What is Peter saying to the officials?

Acts 5:29-32

How is this statement different from the previous one?

What would they be expected to tell?

Why can't they stop?

What kind of danger could the apostles face?

Where would that take them?

What do you think is going to happen to Peter?

Why don't they stop?
