THE GOSPEL

He's our Rescuer

Read **John 10:1-21**

What are some of the bad things that you constantly hear about in the news?

How would a rescuer make them different?

What are some of the situations in life that you find that you could really use a rescuer?

How would a rescuer change the outcome?

When thinking about the idea that Jesus comes to give us life and life to the fullest, what does that mean to you?

What is a "life to the fullest?"

Have you allowed Christ to rescue you from your sin and become the Savior of your life? If not make sure you talk to someone soon about what this means.

Application

Life is hard and at times it can seem very bleak. Hard times affect all people, even those who trust Christ as Savior of their lives. But, life doesn't have to stay bad. Allowing Jesus into your life to rescue you from sin and death allows for you to be freed from the burden of sin. It doesn't mean that you will never sin again, but it does mean that you do not have to be judged according to your sin, since Christ has already done that for us on the cross.

Life will not be easy even with Christ. Why? Because mankind allowed sin to enter the world and there are still those out there who seek to kill, steal, and destroy. What it does mean is that we have a Savior who promises to never leave us nor forsake us. He is with us all the time, and in the dark times He is there to keep us safe and walk with us through those times.

Allow Christ to rescue you from your sin and from the dark times that may enter your life.
