The Video

As the video plays, listen for ways that God comes to your aid and gives you healing when you feel broken and things might seem desperate or in those times when you feel alone and need to call upon His grace. He will give you everything you need to be complete.

Luke 4:14-21

Closing Prayer

Jesus. Thank you for setting me free:
Free from sin.
Free from despair.
Free from worry.
Free from being held a prisoner of fear, or worry, or whatever it might be that is holding me hostage.
Help me to realize that I am free because You make me complete Amen.
