Battle Scars

Write down lyrics that relate to your life or a struggle you are going through.

Isaiah 41:10-13

What promises are made in this passage?

Pslam 121

What are the promises made in this passage?

What does lifting our eyes force us to do?

Not Alone

Ephesians 6:10-20

What do you think Paul means in verse 12?

How does it make you feel when God says that He holds us up with His righteous right hand?

How do we know these promises are real?

How does each piece of armor protect you from daily attacks on your faith?

Where in your life has God fulfilled this promise for you?

Do we believe the promises in this passage or do we just know them? What is the difference?

How can we use this armor better?

Why do you think we still get emotional & spiritual scars from the world?

Wrap Up

While scars are reminders of traumatic events in our lives, the most important thing that they represent is healing. This healing comes not from this world that wounded us, but from the Great Physician. Let us pray for each other.
