Lingering Lyrics

As the song is being played, listen and write down the lyrics that stood out to you most and why.

You Say

Read these verses and answer the questions.

Psalm 139:14; Psalm 17:8

Why do you think Psalm 139:14 uses the word “fearfully” to describe our creation?

What does being the “apple” of someone’s eye mean?

Romans 5:8; 1 John 3:1; Psalm 29:11; Ephesians 2:10

List what each verse says about you.

What does being a “child of God” mean to you?

What verse speaks to you the most and why?

Identity

Time to cut through the “white noise” of life. Write the verse or verses that help remind you of who the Lord says you are.
