Romans 8:28-39

God works for people who do what? (v. 28)

According to verse 32 how do we know God is for us?

God has a purpose for us. How does Paul describe this in verses 29-30?

Create a list of all the things or beings that cannot separate us from the love God as found in verses 35-39. Next to each one, if possible, give an example of how we might allow this obstacle to keep God's love from us.

In these same verses are some complicated and sometime controversial vocabulary words.

What is the promise/affirmation we find in verse 37?
