LOVE

The Video

After watching the music video of “Native Tongue” answer this question:

What do you think they mean by “love” being the native tongue language?

Matthew 22:34-40

Why do you think Jesus gave the two commandments instead of just the one the Pharisees asked for?

What do you think Jesus meant by love others the way you love yourself?

What are things that we do for ourselves? How can we do those things for others?

What would it look like in your home if everyone there always operated out of a “love others the way you love yourself” mentality? In your school? At work? In your youth group/church?

So What?

As you move throughout the week, look for ways to show love to others. Don't just say it but show it. For instance: if you go out to eat and you buy yourself dessert, buy one for the people you are with or just buy a big one and have everyone share it. Simple acts of kindness can speak volumes of love to people. Filter the things you say and do to others through the lens of, “would I do this to myself?” Love is a powerful concept that can change the world on small and large scales. Go out and love one another as you love yourself!
