Armor

Galatians 6:1-5

How should we restore our brothers and sisters when they fall?

Ephesians 6:10-18

Why does this passage want us to put on the “whole” armor of God?

Who does verse 12 warn us about? Do we stand a chance without God?

Why do you think Paul tells the people to bear one another's burdens?

What are the pieces of the armor?

How does this armor protect us from schemes of the evil one?

What happens when we tackle problems together instead of alone?

How can we encourage each other to use our armor?

How does having someone holding you accountable help your spiritual growth?

Wrap Up

Who will be your accountability partner and how will you fight for each other to keep yourselves safe from the tough challenges and pitfalls that life throws at you?
