The Video

As you watch the video of PEABOD's song, "Hoodie," write down some things you notice about the relationship he's singing about:

Romans 8:12-17

Our relationship with God is one that is built on identity and trust. God tells us all about who He is throughout the Bible, and He tells us who we are too – His children, deeply loved by Him. He also asks us to trust Him, even when we don't know how He's working.

What does this passage say about our identity?

What does it say about fear?

What do you think makes for a healthy relationship? (This could be any kind of relationship)

What are some examples of ways you might live according to the world?

What makes for an unhealthy relationship?

How does our identity in Christ affect how we live our lives?
