PRAISE OVER PROBLEMS

Theme:

GOD'S POWER, PRAISE,  
PERSPECTIVE

Give Thanks in  
the \_\_\_\_\_,  
\_\_\_\_\_, and  
\_\_\_\_\_.

**1 Thessalonians 5:16-18**

It's not always easy to give thanks and worship God. When everything is going right it tends to be a little easier. However, when things are bad it does get more difficult. But when things are downright ugly, it's nearly impossible.

What are some times when you found it extremely difficult to worship God?

You are not  
\_\_\_\_\_.

**1 Peter 5:9**

It's much easier to navigate problems no matter how big they may be when we know we have access to the person with the answer to those problems. The enemy wants you to feel alone and isolated, but knowing that God is right there with you should change your perspective.

You don't have  
to be \_\_\_\_\_.

**Deuteronomy 20:4**

What are you afraid of the most?

What does God want to give you, according to this verse? Why?

God's love is  
\_\_\_\_\_ than  
any valley and  
\_\_\_\_\_ than  
any mountain.

**1 John 4:18**

Sometimes we don't need more \_\_\_\_\_ when we're afraid. We just need a greater revelation of God's \_\_\_\_\_.

*Our praise and worship to God is what helps have the proper \_\_\_\_\_ that God is greater than our problems. He is our source of \_\_\_\_\_ when difficult times come.*
