The Video

What do you think Lecrae is referring to when he says, “we cookin’ up, check the recipe”? Lecrae says, “Get out my way, I’m tryna work on my faith.” What gets in the way of your faith?

Genesis 39

Lecrae raps, *Lord as my witness, I handle my business • Put on for the city, became a lietenant... •Get out of my way, I’m tryna work on my faith • I been up walking away... • ...Stand at attention, Y’all forgot I’m on a mission...*

Joseph lived “Wild N Out” against the pressure around him to conform and compromise. He kept the commitment to the mission of his life and paid a big price until God’s perfect plan was made clear. In what ways does this represent the characteristic of being “Wild N Out” for Jesus?
