SPIRITUAL WARFARE

2 Corinthians 10:3-5

What do you think it means not to
“wage war in the flesh?”

If our battles are not a physical fight,
what are they?

What battle(s) are you currently fighting?

Ephesians 6:11-17

Which piece of armor is your “go-to”
piece of armor, and why?

Each piece of armor is essential, and
Scripture tells us to put on the whole
armor of God. What are some ways
that you can daily practice putting on
the armor of God?

John 16:37

Why do you think Christ would con-
quer the whole world when He can
just scrap the messed up one and
start a new one? The answer to this
question is simple: love. He loves
us so much that He was willing to
take the punishment of sin for us.
He would not just give up on us and
write us off. He did this for all of us,
especially you.

Remember

Spiritual warfare is the internal men-
tal and spiritual battle that rages in
us. We will always struggle with the
tension between doing what the
world says is the best, or what Christ
says is right. However, through His
love and forgiveness and death on
the cross, we have the victory.

The last verse of the song says that
there is a desire to turn their back on
the trap of a cycle of gloom and guilt.
We don’t have to live in the cycle. We
are free from sin through Christ, so
we no longer have to get trapped.
