GOD'S PRESENCE, GOD'S  
COMFORT, GOD'S PROVISION

## Screen Savior

How is the world trying to convince us that God has abandoned us?

## Never Alone

**Isaiah 41:1-10:**

What promises are made by God in this passage?

**1 Kings 19:1-12**

What did Jezebel tell Elijah she was going to do to him?

How does Elijah's reaction feel like the world today, figuratively?

Who ultimately has the power?

After Elijah rested, ate, and drank, what did God send in verses 11 and 12?

The song mentions seeking false saviors, how do we see this portrayed in verse 7?

Whose whisper did Elijah hear at the end of verse 12?

Does God always need to do dramatic things to protect or take care of His people?

What does God tell His followers at the end of verse 9?

What did God demonstrate by whispering?

## He Carried Me

As we wrap up, how can you show others that God is still with us and that He hasn't abandoned us even during these difficult times?

How does the promise made in verse 10 fit in with the song?
