## Say I Won't!

What was the last dare that you took and proved someone wrong?

What are some things in life that people have told you that you would never be able to do?

What difficulties are you facing in life that you keep telling yourself you won't be able to overcome?

What person, situation or struggle in your life do you need to look in the face and say, "Say I won't overcome this!"?

Tell yourself, "Say I won't!" Challenge yourself to do the things that you know you need to do to overcome all things through Christ. Make sure that when you do, you give God all the glory because without Him there is no victory!
