Will It Magnet?

- A magnet creates an invisible area of magnetism all around it called a _____.

- How did you determine if an item would “magnet” or not?

- Did any item surprise you by being magnetic? Why or why not?

Magnetic

As you watch and listen, answer these two questions:

- What is the spiritual condition of the person singing the song?

- How is God's love like a magnet?

Psalms 139:7–12

- Describe a time you felt that God was far away or you tried to hide from Him.

- In those dark times, did you hear or feel God calling to you or drawing you to Himself?

- How did God reveal Himself to you during that time?

- God is _____, which means that he is always everywhere.

- God is _____, which means He always knows everything.

- God is _____, which means He is all powerful.

Romans 8:37-39

- According to this passage, what can separate us from God's love?

- How has God shown His ultimate love towards us?
