Never Going Back

As you listen write down the things like fear and the past that can try to pull us back.

Romans 7:21-24

- What do these four verses say to you?

Romans 7:25-8:3

- How do these verses make you feel?

- Can any of you relate to Paul when he speaks of wanting to do good, but doing evil?

Romans 8:31-39

- What is the greatest challenge in your faith right now?

- Do you ever feel as if you need to be rescued or just want to get away?

- Be honest with yourself and write down a few things that you feel have you trapped right now.

- How can we remind ourselves of all that God has already done and find hope in His promises?
