Missing Lyrics

Verse 1

You saw me _____
You let me in when I was at my _____
The _____ when I heard You say my name
It's the first time in so long, I'm not afraid
I'm not afraid

Pre-Chorus

You are the voice that _____ the storm inside me
Castle walls that stand around me
All this time my _____ was You
You are the _____ that shines in every tunnel
There in the past, You'll be there _____
All my life Your _____ was breaking through

Chorus

It's always been You
It's always been You

Verse 2

My _____ star
Your love will be the _____ of my heart
Oh, I just want to be right where You are
Right where You are

Bridge

Who stood with me in the _____?
It was You, it was always You
Who pulled me out of the _____?
It was You, it was always You
And who _____ me on their shoulders?
It was You, I know it's You
