## Born For This

- What lyrics or visuals from the music video stood out to you?

- Who or what are you allowing to influence your life that is holding you back from taking a stand and living for God?

## Romans 1:16

- What is holding you back from standing up for Jesus?

- What is the driving force in your life right now?

## Acts 4:13-20

- What are some of the pressures that you face at school, home, work, or just in life?

- What does God want you to take a stand on right now?

- What, in your life currently, needs the power of God to help you overcome and experience Jesus Christ and the life He gives?

- What pressures or adversity in your life do you need to face now?
