Song:

I KNOW YOU CAN

Theme:

GOD'S POWER,
CONFIDENCE; IN CHRIST, HOPE

I Know You Can

I've seen You do it before
I believe You can
Do it again
You are all powerful
God, You're on the throne
And we all know

You can
Do a miracle
You're the Lord of all
You're able
Yeah, You can
You can move the mountain
There's no doubt about it
You're able, yeah

I know You can
Nothing is too hard
Nothing is too hard for You
I know You can
There is no other
Nobody greater than You

I'll keep my eyes fixed on You
Nothing's gonna take
This praise away
I'm holding on tight to You
You're the only one
Who makes a way

You can
Do a miracle
You're the Lord of all
You're able

Yeah, You can
You can move the mountain
There's no doubt about it
You're able, yeah

I know You can
Nothing is too hard
Nothing is too hard for You
I know You can
There is no other
Nobody greater
I know You can

You're working all things
for my good
You're turning it all around
Jesus, You'll always be good
In Your presence I will be found

I know You can
I know You can
Nothing is too hard
Nothing is too hard for You
I know You can
There is no other
Nobody greater

You're working all things
for my good
Nothing is too hard
Nothing is too hard for You
Jesus, You'll always be good
There is no other
Nobody greater
I know You can
