Ephesians 2:1-9

- What is our condition as described by the apostle Paul in these verses?

- List God's attributes and the steps He took to bring us to Himself.

Seeing Grace

- How can you keep the truth, "God's grace is greater than all our sin" in mind?

- What words are used for our sinful life and behavior?

- How can you receive God's grace and forgiveness in salvation?

- What are some steps you can take to encourage each other in grace?

Romans 8:1-2

- As you read these verses, can you express your emotional responses? Are you hopeful? Desperate? Frightened?

- Think of a time when you have been troubled by failure: in your family, in your school, or in your job. Did you experience condemnation and shame? What would it feel like to have no condemnation?

- What specific evidence of God's grace to you do you see today?

- Summarize how God acted to change our condition through Christ.

- Since you have received grace and are no longer under condemnation, how can you express grace and forgiveness to someone who has sinned against you?
