Believe It Or Not

- Why would some people follow Jesus yet not believe?

Belief Map

- **Know** (Identify five to ten essential beliefs of yours about God, Jesus, etc.)

- Why does He turn to the twelve and ask if they want to leave?

- Why was it important for Peter to say what he said?

- **Say** (Identify three to five important beliefs you want to be better about telling others when the timing is right. You don't have to stand on a box with a bullhorn!)

We Believe

- What are some of the reasons people quit following Jesus?

- Why is it vital for us, the church, to say what we believe?

- What was surprising to you about the word "disciples" as found in verse 60?

- Why is it more critical to know, say, and live what we believe?

- **Live** (Identify two to three beliefs you need to be better at living in your journey with Jesus)
